Christian Service is at the heart of Catholic Education. Voluntary service, motivated by faith, enables students to show solidarity with people who are in need and who require assistance. The Christian Service Program also helps to foster in students an understanding of civic responsibility and participation. It enables young people to develop and share their skills and gifts with others, in the wider community. The Christian Service Program in the Secondary Schools, within the Hamilton-Wentworth Catholic District School Board, satisfies the graduation requirements of 40 hours of Christian Service for the Ontario Secondary School Diploma (Ontario Secondary Schools, Grade 9 to 12: Program and Diploma Requirements, 1999 [OSSD]).
